

Fishing Vessel Energy Audit

Preliminary Results

JOIN US!

Monday, Oct. 14

6:00-8:00pm

Fishermen's Hall

Kodiak, AK

Commercial fishing vessel owners and operators in Kodiak are invited to hear preliminary results of the "Fishing Vessel Energy Audit Pilot Project". All gear groups are welcome.

*There will be a short presentation by the vessel energy auditor, **Mike Gaffney of Alaris Companies**, followed by an extensive question and answer session between fishermen and the energy auditor.*
